Accessibility Statement

Accessibility Commitment

CIRCUS Magazine is committed to ensuring digital accessibility to the widest possible audience, regardless of ability. We are continually improving the user experience for everyone, and aim to comply with relevant accessibility standards, including WCAG 2.1 accessibility standards up to level AA. We are devoting resources and implementing technological improvements to continue enhancing the accessibility of our website and mobile apps.

Feedback

We welcome your feedback on the accessibility of CIRCUS Magazine to improve your site experience. Please let us know if you encounter accessibility barriers on CIRCUS Magazine, including any video that is not already captioned:

- E-mail: support@circusrockmag
- Postal address:

CIRCUS Magazine LLC
Attn: Accessibility
1317 Edgewater Dr. #444
Orlando, Fl
32804

We will work with you to provide the information you seek through alternative communication methods, if possible.

Our accessibility efforts are ongoing to ensure that our website and mobile site are accessible to everyone.

Limitations and alternatives

Despite our best efforts to ensure accessibility, there may be some limitations. Below is a description of known limitations, and potential solutions. Please contact us if you observe an issue not listed below. Known limitations:

1. **Site navigation:** Our site navigation has not been fully tested with assistive technologies. We are in the process of fully evaluating and testing the ability to navigate our site using assistive technologies, to remediate any issues we find. Please send us an email at support@circusrockmag.com to report any issues you encounter.

Accessibility Statement

2. **Older content:** Content created over a year ago may not work well with assistive technologies. This content may have been created before we had processes in place to ensure best practices such as meaningful alternative descriptions for images. Please send us an email at support@circusrockmag.com to report any issues you encounter.
